

Trips for NCGR members to take that will enhance their train experiences.

One day excursions:

Windsor display

Freight station in Fort Collins (now a city bus terminal)

Greeley train museum

Fort Collins trolley (see Robert Linton)

Golden Train Museum

Train yards east of Firestone, in Hudson

Cheyenne Union Pacific train repair shop, Depot and Museum

Forney museum, Big Boy display and railcars

Denver Union Station

Ride the Denver trolley system

Georgetown Loop, train yards and museum in Silverthorne

Boulder--- Valmont area—train club grounds just off of Valmont road

Denver depot

Trip to the east side of the Needle-eye Tunnel above Nederland.

Two days or more trips:

Leadville—west a few miles to the Hagermann tunnel, probably can be an all day trip just hiking the old train bed.

Ride the Leadville train to Climax and back

Como—town and touring the round house, depot of the Denver South Part and Pacific (on the way to Fairplay)

From Como it is an historic drive down on the old train bed past a water tower
To Breckenridge (display of an old steam engine)

Another while in area would be to go a few miles south of Buena Vista, west
Past St. Elmo to the East side of the Alpine Tunnel. Nice motels in Buena Vista.

West side of Corona pass and the west side Needle Eye Tunnel, go back east

From the Winter Park ski area 12 miles, decent roads.

Chama train yards, Chama, New Mexico

Nice museum in Ridgeway, Co

Limon museums in Limon, first class well-done museums

While you are in that area, go a few miles to Hugo and visit the restored round
House.

If you're not tired yet, Cripple Creek and Victor area, trains, mining etc.

Phantom Canyon.

Royal Gorge train ride

Northplatte, Ne. August 14 to 16th (double check dates), very nice tour of train
and much more.

Enjoy the railroad history of Colorado
