

Garden Railroad Tour

Etiquette

- ◆ **Don't arrive early.** Most garden railroaders tend to work frantically up until the last minute getting their lines ready. Arriving early can be disruptive.
- ◆ **Don't stay late.** Our hosts are exhausted by the end of the day, so please leave by closing time.
- ◆ **Keep an eye on your kids** They love garden railways and most garden railroaders welcome well-behaved children. However, your kids' behavior is ultimately your responsibility.
- ◆ **Don't step into a railway** without first making sure it's OK. Sometimes there are obvious footpaths or signs directing you into the interior, but if there aren't, just ask.
- ◆ **Restrooms are NOT available.** Please plan ahead.
